## Agenda:

1. Greetings and introductions
2. Change the committee charge:
  - a. **Current:** *To explore ways of providing information and education on the subject and its problems for the profession and the people who work with this group, facilitating the use of library service by the aged, continually exploring ways of making library service to the aged more effective.*
  - b. **Proposed:** To explore ways of providing information and education on the subject for the profession and others who work with midlife and older adults, facilitating the use of library service by these populations in various life stages, and continually exploring ways of making library service more effective throughout the lifespan.
3. Guidelines for Library and Information Services to Older Adults
  - a. Available at: <http://www.ala.org/rusa/resources/guidelines/libraryservices>
  - b. Formatting and other minor changes
  - c. Do the Guidelines need updating?
  - d. A resource list/bibliography exists to accompany the Guidelines. Have you seen it? Does it need updating?
4. Recruitment of new committee members
  - a. Please let Abigail know if you wish to renew your membership on this committee
  - b. How and where to advertise for new members
5. Date for next meeting
  - a. Virtual or in-person?
