RUSA Vice President's Report to Executive Committee
Thursday, April 20, 2017

- I chaired the RUSA Budget & Finance Committee meeting on Thursday, March 30.
- I participated in the ASCLA/RUSA Exec Director Phone Screen Review on Thursday, April 6 with Alesia. See her report for description.
- I continue with appointments and sent a message to Section Vice Chairs to explain some the committee changes they might expect now that our bylaws changes have been confirmed. These changes will impact their appointments.
- I have spent time revising portions of the restructuring recommendations for clarification.
