Congratulations to **Christina Holm** for being chosen as ACRL Instruction Section Teaching Methods Committee's latest Featured Teaching Librarian!

The Featured Teaching Librarian is selected by the ACRL Instruction Section Teaching Methods Committee. Several times during the year, the committee selects and interviews a librarian who demonstrates a passion for teaching, innovation, and student learning. This feature provides a way to showcase amazing teaching librarians and share their best teaching practices with others in the field. Want to be featured as the ACRL IS Teaching Methods Featured Teaching Librarian? Consider [nominating](#) yourself or someone you think is amazing!
