## Q5

Describe your committee's activity/project and how each activity supported the Plan for Excellence objective(s) selected above.

Activity/Project #1:

in incorporating information literacy skills into an existing disciplinary curriculum. These resources include standards or guidelines related to information literacy from accrediting agencies and professional associations; research relating to the roles and pedagogy of information literacy within disciplines; and adaptable assignments, exercises, and tutorials for practical applications. Through the curation of this collection, the project connects teaching librarians with standards- and evidence-based resources for information literacy instruction across over 40 disciplines.

Q13

Based on the action plan and measurement(s) of success you provided in the Annual Planning Form, describe what success your committee had in meeting each objective:

Activity/Project #1: The committee had success in some areas and ran out of time for other areas, which will be picked back up this year and going forward. Question 12 has the dates of completion and which will be considered in the future.

Q14

**Advice to incoming chair for project continuation or next steps:**

**Activity/Project #1:**

Promotion continues to be a theme carried forward. This year, with the wiki gone, this removes one barrier. This year, the committee chair will need to be mindful of IS publication review timelines. As before, getting a baseline of usage statistics will be helpful to assess reach of promotional efforts.
