To: Angela Nolet <anolet@kcls.org>;

Thank you for your report.

Please forward a copy of your report to your co-chair (if applicable) and Priority Group Consultant.

Additionally, please upload a copy of this report to your committee or task force space in ALA Connect and mark it "public" so that future committee chairs and members have access to the committee's history. Some chairs copy and paste the text into an online post on ALA Connect, copy and paste into a Word document and then upload as a file, some print and scan as PDF and then upload as a file, and others have the capability to save an email as a PDF and then upload as a file. Any way works as long as the content is uploaded.

Follow the general instructions for uploading committee minutes available here: <http://www.ala.org/alsc/usingalacconnect> (video and a handout).

September 15 Reporting Period

Summarize work accomplished, decisions 1. Finished recommendations for ALSC Media Mentorship Leadership Award. The committee is

reached, and follow-up action needed (objectives, timetable, and assignments) since your last report. Please remember not to include confidential or sensitive information.*:

waiting to hear if the award criteria have been accepted, and are prepared to review nominations on a tight turnaround schedule. We will need to set up a conference call through the ALSC office to make our final decision.

2. Revisited webinar topics with the intent to produce one webinar during this committee year. At the September meeting, the committee will make a final decision and begin brainstorming who could be approached to present. The committee will need at least two volunteers to produce the webinar (one to moderate, one to watch questions). Our ALSC staff representative will be giving us an update on any feedback/guidance from the ALSC office.

3. The incoming chair initiated the transfer of the Slack account where monthly meetings are held from a previous member. Moving forward this will need to be transferred from chair to chair.

4. The committee is no longer coordinating a monthly ALSC Twitter Chat. Feedback from Dan (prior to his departure from the ALSC office) was that these were getting less and less interaction and did not warrant the ALSC office time.

5. The committee is short one member, we're hoping to get someone assigned soon.

Webinar planning has begun.

Once we finalize our webinar topic we'll be brainstorming who we know in the ALSC organization that would be able to speak knowledgeably.

The committee will need to select a Producer and Moderator. The Producer will coordinate with the short list of presenters to select a date and help with questions the day of the webinar. The Moderator will introduce the presenters and moderate the webinar as needed.

The committee will need help from our ALSC Staff rep for scheduling, promotion, and with the technical run through to ensure everyone is comfortable with the technology.

Please describe activities you would like to pursue for future education topics, publications, or online resources (such as toolkits) to be developed based on the committee's work? What are the next steps you have set to accomplish this? What assistance do you need in taking this forward? Please be as detailed as possible.:

If you could recommend a research topic, pertaining to the realm of your committee's work, to an academic colleague, what would you request s/he research and why? (In other words, what gaps in research do you see in this particular area so that ALSC can share with the Association for Library and Information Science Educators and/or help develop ALSC's own research agenda?):

Twitter chats have ceased to be a useful form of communication, what has replaced them? Have we returned to listservs or email chats? Is there something we could do to make a Twitter chat something our members participate in? Or was this just a fad that has passed?

If you are a virtual committee or task force, what is your primary method for holding meetings or communicating?: Slack

When you communicate electronically, how are you preserving the work of the committee for the next committee?*: Posting minutes in committee's ALA Connect space., Saving emails in folder to forward to next chair.
