To: Angela Nolet <anolet@kcls.org>;

Thank you for submitting your report to ALSC Leadership. It will be reviewed by the ALSC Board at their next meeting and content will be used to help track the progress of achieving the ALSC strategic plan.

Please forward a copy of your report to your co-chair (if applicable) and Priority Group Consultant.

ALA is currently in the process of transitioning to a new ALA Connect platform. Once the platform is up and running (a notice will be sent out), you will be asked to upload a copy of your report to your committee's public repository. Doing so allows interested members to find out more about the work of your committee so they can determine if they would like to volunteer for service in the near future.

If you haven't already, please consider signing up for a new ALA Connect training session or reviewing some of the existing resources to gain familiarity with the new platform: <http://www.ala.org/support/alaconnect>.

Set a webinar date and are already working on a second topic for 2018.

An ALSC core value is collaboration. Please describe collaborations you have initiated or would like to initiate with other ALSC or ALA committees to help further your work. Please list the desired outcomes you envision from this/these collaboration(s). What are the next steps you have set to accomplish this? What assistance do you need in taking this forward?:

Please describe activities you would like to pursue for future education topics, publications, or online resources (such as toolkits) to be developed based on the committee's work? What are the next steps you have set to accomplish this? What assistance do you need in taking this forward? Please be as detailed as possible.:

If you could recommend a research topic, pertaining to the realm of your committee's work, to an academic colleague, what would you request s/he research and why? (In other words, what gaps in research do you see in this particular area so that ALSC can share with the Association for Library and Information Science Educators and/or help develop ALSC's own research agenda?):

If you are a virtual committee or task force, what is your primary method for holding meetings or communicating?:

Monthly Slack chat

When you communicate electronically, how are you preserving the work of the committee for the next committee?\*::

Posting minutes in committee's ALA Connect space., Saving files in Dropbox to share with next chair.

Did you attend or watch the online  
committee/task force orientation? No
