NNLM Update

9:15-9:45 AM

Karen Vargas, Consumer Health Outreach Coordinator, National Network of Libraries of Medicine, South Central Region

Karen Vargas will do a presentation about the free services that are available to you from the National Network of Libraries of Medicine, including assisting with document delivery, training in the use of National Library of Medicine databases, and funding for improved technology and information outreach projects. The National Network of Libraries of Medicine is funded by the National Library of Medicine, NIH and is housed in eight Regional Medical Libraries throughout the United States. Its more than 6,000 members include health sciences, hospital, academic, and public libraries, as well as other information providers. Please invite anyone you think might be interested or benefit from this presentation.
