Board of Directors Action Form
Request to Establish an ACRL Task Force

To: ACRL Board of Directors

Subject: Request to establish the Artificial Intelligence Competencies for Library Workers Task Force

Submitted by: Leo Lo, Vice President and President-Elect, ACRL Board

Date submitted:

Background

In the context of rapid technological advancements, particularly in Artificial Intelligence (AI), there is a pressing need for library professionals to develop AI competencies.

The primary purpose of the Artificial Intelligence (AI) Competencies for Library Workers Task Force is to create a set of essential AI competencies specifically designed for library professionals.

The aim is to enhance the role of library professionals in guiding and supporting AI-driven research and learning, ensuring that academic libraries remain at the forefront of technological and educational trends. This initiative is in line with ACRL's mission of advancing learning and transforming scholarship.

Proposed Name, Charge & Tasks

- **Proposed name:**
Artificial Intelligence (AI) Competencies for Library Workers Task Force
- **Proposed charge:** To develop a set of comprehensive AI competencies for library workers that align with the evolving needs of academic libraries in the context of AI integration.
- **Specific tasks (optional):**
 1. Identify and analyze the specific needs and roles of library workers in relation to AI.
 2. Review existing ACRL standards and frameworks for AI relevance and integration.
 3. Engage with various stakeholders to gather insights and feedback.
 4. Develop a set of essential AI competencies for library professionals as needed.

Electronic submission is preferred for all Board actions. If electronic submission of the entire document is not possible, please send the Action Form to ACRL Program Officer Allison Payne electronically at apayne@ala.org and the remainder in hard copy.
