Student Learning: Librarians transform student learning, pedagogy, and instructional practices through creative and innovative collaborations.

1. Identify innovative practices in learning environments and instruction that enable academic librarians to transform learning.

IGALSIS hosted a discussion at the 2014 Annual Meeting which focused on strategies for outreach to international students. Thirty-five librarians attended, twenty-two of whom were not part of the IGALSIS community, but wish to be added. International students arrive at our campuses with a wide range of expectations of the library, based on their experiences in their home countries. Reaching these students and addressing their expectations is important to their success and satisfaction while they are in the U.S.
