Report from Elizabeth Figa

I am the Chair of the ALA LHRT Davis Award. Here is my report:

There has not been any activity on this committee this year due to its timetable.

I believe that this committee will become active very soon as this award has a call for nominations every two years, which means it will be coming up directly.

Please advise on a an appropriate timetable.

I look forward to this process.

As an aside note: My son is getting married the week of our meeting so I will not be able to attend conference. I will be responsible and get updates and etc.

Sincerely,

E.
