IV. Instructional Technologies Discussions

Topher – helping other librarians achieve their technology objectives

Might be making tutorials later for distance

Blackboard and canvas LMS

Looking to the IG for – comradery and communication with other Instructional Technology librarians since most are alone at their institutions.

Practical group. Sharing amongst higher ed, k-12 and public

Institutional citizenship / organization citizenship – org culture

Student feedback to take to vendors

Student user feedback into the negotiation.

Where the tech trends are?

Online education.

Gap in the profession – what are the best practices

Collaboration with ACRL instructional group

#LITachat

Lilly discussed her roles as Instructional Technologies, FYE and liaison duties.

What is the culture of technology adoption?

ACTION:

ALA Connect - start a thread for best practices

Respectfully Submitted,
