Task Group

Health Sciences Information Literacy (March-September 2011)

This task force is charged with:

- collecting standards that have already been created by related library and non-library associations, e.g. ACRL-STS, MLA, SLA, AAMC, etc.
- creating content for a web page where we can share this information with our members (you are not required to post it online)

The timeline for this work is:

- Task force completes a draft of content for the site by June 15, 2011
- HSIg members will discuss changes via e-mail and at our meeting at Annual
- Task force makes changes by August 31, 2011
- Post web site by end of September 2011
