Pekoll shared the Challenge Report for the last year.

IX. REPORT FROM IFRT COUNCILOR: Martin Garnar

A. Resolutions affecting intellectual freedom that may be presented to the ALA Council from other units or individual members. If so, IFRT will need to review them.

Garnar reported that the MLS/MLIS requirement or MLS preference provision in the ALA Executive Director Search will likely be brought to council during ALA Annual 2018 because even though the membership voted to have an MLS requirement, the total number of members voting did not reach the 20 percent threshold needed to make the vote binding. Garnar sought guidance from the round table. Members had mixed feelings about the requirement. Some believed that the MLS degree should be required for the ALA Executive Director, while others wanted to keep the MLS a preference during the search. A consensus was not reached by the group.

XI. ANY OTHER BUSINESS THAT MAY PROPERLY COME BEFORE THE ROUND TABLE

Ray James commented that IFRT should begin thinking about its 2019 ALA Annual Conference program, and who should be seated on the program jury. Chairperson Kratz commented that the program jury seat for IFRT was every other year, and this would be an “off” year for IFRT. James reiterated that the IFRT should be thinking about the 2019 program.

XII. ADJOURNMENT

Chair-elect Freeman moved that the meeting be adjourned, and Huffaker seconded the motion. The motion passed unanimously. The meeting adjourned at 4:09p.m. EDT

Respectfully submitted,
